“ You can't be a real country unless you have a beer and an airline. It helps if you have some kind of football team, or some nuclear weapons, but at the very least, you need a beer

— Frank Zappa

SPECIAL FEATURES

Cask Beer

We feature unfiltered and unpasteurized beers from different breweries. The beer is hand drawn from a cask without additional nitrogen or CO2 pressure. ABV and prices vary.

Brian's Tap

Brian likes his beer like he likes his music- complex, funky, richly layered and often something you've never experienced.

Dan's Tap

Dan's tap will tend towards big, hoppy and aggressive beers. Like hanging out with Dan, if you spend too much time with these brews you'll likely end up injured and/or stupefied.

Tap 30

A rotating selection of something off the beaten path, could be sour or barrel aged or just a damn good drinkin' beer, ask your server!
